MEMORANDUM FOR: Director of Administration, DPS/DCI

SUBJECT : Security Personnel, Detachment B

1. Detachment B Security staff will be in good shape by the beginning of June. At present they have 16 on duty, and by 3 June we expect to have them up to full strength of 20.

2. Presently they have 13 staff employees and 3 contract guards. This week we plan to dispatch an additional 4 or 5 contract guards.

3. We have had to keep Detachment B a bit short due to the pressure of relieving the situation at Base C occasioned by staging operations. We now, however, have 12 contract guards at Base C plus the regular staff of 11, making a total of 21. In addition, they have 5 guards on TDY from the Office of Security.
